

2021 CONFERENCE REPORT

GLOBAL OPPORTUNITIES

Canadian Global Energy Forum presented a hybrid event on November 18, 2021 at Calgary Petroleum Club. The focus was a summary of CGEF's Global Opportunities Reports from 2019 - 2021.

With the co-operation of Government of Canada and Government of Alberta this one-day event was held in-person and virtually, with 88% of attendees from Canada. 12% of the attendees were international and attended virtual, from countries such as Brazil, China, Ireland, Mexico, Norway, Turkey and the United Kingdom.
