Parallel Event – Onshore Forum

Dear Marty,

The Brazilian Institute of Oil, Gas and Biofuels – IBP – is proceeding with preparations for Rio Oil & Gas 2018, the biggest event in the Brazilian energy industry and one of the most important of its kind in the global oil and gas industry.

IBP is very pleased to invite you to participate as a speaker in the Onshore Forum, a parallel event of Rio Oil and Gas, in the Pavilion 2 of Riocentro Exposition Pavilion in Rio de Janeiro, during the:

- Panel III "Exploratory Opportunities and Revitalization of Mature Onshore Fields", on **September 27, 2018**, from **02:00pm to 03:25pm**; e
- Panel IV "International Experience of Regulation on Onshore Exploration and Production, on **September 27, 2018**, from **03:40pm to 05:00pm**.

The organization allows 15 minutes for your presentation followed 15 minutes for the others speakers, from Colombia and USA. At the end of the session, will have more 10 minutes for discussions in the plenum and comments from the moderator.

Should you decide to accept our invitation, we kindly ask you to send the items below by **August 24th, 2018** for insertion on the event website:

- Summarized résumé (120 words);
- High-resolution photo (350pixs).

Please feel free to contact us if you have any questions. Accepting our invitation, besides being a great honor for us, will certainly contribute to the success of the event, which is already a benchmark in the global oil industry.

Sincerely,

Carlos Victal
Sustainability Manager

CGEF was invited to attend the Rio Oil & Gas Conference as a speaker in two different panels dealing with revitalization of Brazil's onshore petroleum industry.

CGEF will play an active role in advising ANP on needed changes to onshore regulations via CGEF's MOU with IBP.
