PROSPEX 2019

Join us at PROSPEX 2019, at the Business Design Centre, 11 - 12 December 2019
The Oil & Gas Authority and PESGB are pleased to bring you the PROSPEX 2019, the UK's leading networking event for exploration and development. PROSPEX provides a venue for announced Promote Licensees, oil & gas companies and governments to market their prospects and meet with potential investors to facilitate the deal making process.

It offers a contextual overview of licensing activities and related topics for the UKCS, onshore and surrounding areas and creates a "hot spot" by bringing together interested players to help advance the value chain from "Prospects to Production." As in previous years, there will be a full speaker programme incorporating the popular "Prospects to Go" sessions.
